The franchise sought would constitute an extension of Franchise Nos. 13849, 14760, 16373, and 16763 for transmission lines that have been previously constructed and are presently being operated and maintained. Franchise No. 13849 was granted on February 3, 1975, in Docket No. E-17264; Franchise No. 14760 was granted on November 24, 1976, in Docket No. E-18432; Franchise No. 16373 was granted on August 13, 1982, in Docket No. E-20340; and Franchise No. 16763 was granted on July 22, 1985, in Docket No. E-20786, pursuant to Iowa Code § 478.13.

Upon notice in accordance with Iowa Code chapter 478 (2001), the Board found the petition should be granted and a franchise issued to Corn Belt.

Pursuant to the order of the Board and Iowa Code chapter 478 (2001), this franchise is issued and permission and authority are granted to Corn Belt to erect, maintain, and operate a transmission line on routing specifically described for the transmission, distribution, use, and sale of electric current outside cities and town and for such purpose to erect, use, and maintain poles, wires, guy wires, towers, cables, conduits, and other fixtures and appliances necessary for conducting electric current for light, heat, and power, over, along, and across any public lands, highways, streams, or the lands of any person, company, or corporation and to acquire necessary interest in real estate for such purposes

on and along the route particularly described in Exhibit A, attached to and incorporated by reference in this franchise.

This franchise is granted for a period of 25 years from the date of issuance unless revoked, modified, or terminated pursuant to Iowa Code chapter 478 (2001). This franchise shall be subject to and governed by all provisions, conditions, and requirements of Iowa Code chapter 478 (2001) and by all provisions, conditions, and requirements of the Utilities Board, as may be applicable.

The use of the right of eminent domain is not necessary and, therefore, not included by the Board in its order granting this franchise.

It is provided and understood this franchise is granted subject to the provisions of Iowa Code § 319.5 (2001).

It is further provided and is a condition of this franchise that the Board retain jurisdiction and may at any time during the period of this franchise make such further orders and regulations as may be necessary.
